INCORPORATING FOR REAL ESTATE AGENTS: How to Form a PA or LLC Around Your Real Estate Business

This educational session was created to specifically review the options real estate agents have in Florida for incorporating their business instead of working as Sole Proprietors.

1

THE BASICS

- What forming a legal entity means
- Overview of business structures
- Differences between a S-Corp & LLC

2

BENEFITS

- What is a Corporate Veil?
- Tax savings
- Building credibility for your business
- Lowering your risk of an audit

3

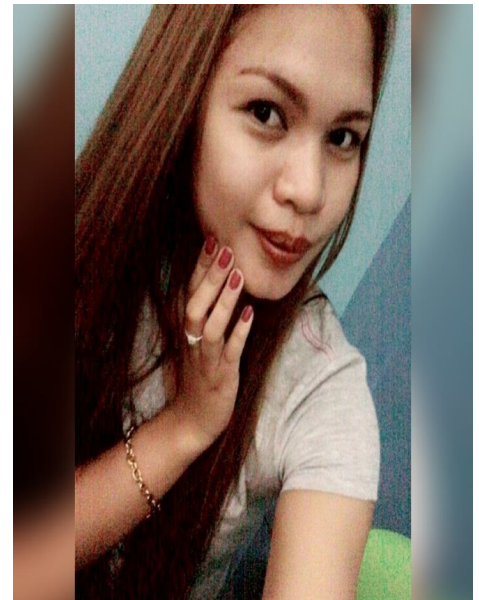

INVESTMENTS

- Using an LLC for investment properties
- Protecting investment assets
- What types of properties can be covered by a legal entity

4

PROCESS

- How does a Real Estate Agent form an S-Corp or LLC?
- What are the steps to take AFTER formation?
